

12th Northolt Cubs Newsletter 2

It's nearly half term.....

We hope you have lots planned for the Bank holiday and half term week off.

Please do come to the AGM as it is good to hear just how well we are doing and to give you all the chance to help us shape the group to be an amazing one. All ideas are welcome and any help no matter how small is gratefully received. Badges are being awarded as well.

Have an amazing break

Akela, Baloo and Ferao

Uniform

We hope the decision to relax the uniform requirements to just jumper and scarf for most weeks has been a good thing for you all and the notice you receive for full uniform is working. There will still be a need for smart, full uniform throughout the term but we will remind you of those dates through email and Baloo saying at the end of a meet.

We'll be getting very mucky pretty soon 😊

Note to Parents

If Cubs are bringing in trip money or Subs can they please give them to Baloo so that we can keep track in one place. We are investigating the possibility of online BACS payments for the future.

100 years Challenges

Don't forget to load any pictures up onto the facebook page so we can all see if anything is completed at home.

Recap so far

We awarded **26** badges since Easter and have made a huge dent in many, many more..

We have lots now saving up to be given at the AGM.

There are many the Cubs can do at home so if you cannot see what they are working on through OSM then please get in touch and one of us will pull that information for you.

Wednesday 9th June Baloo is hoping to arrange a night at a local horse riding stables so drop off and pick up will be there. We will not be able to complete the Equestrian badge in one go but Baloo is trying to strike a deal for the Cubs to be able to as cheaply and efficiently as possible. Further communication will be with you as soon as possible so please check for emails.

If any of you know of any local community projects happening in the area then please let us know. Baloo is also in talks with a residential home at the moment to help with some badges. Alternative options are always a good idea.

Group Camp

Our first group camp and we are just a little bit excited.

Cubs and Scouts are arriving Friday 10th evening to pitch tents, have dinner and a lot of fun.

Saturday morning they will be up and making breakfast before our young Beavers join us. We have an action packed day for everyone before campfire merriment and the sound of snoring.

Sunday afternoon again is fun and games before we pack up and go home.

Now if you are like me you can't wait to pack your child off for a weekend but I know sometimes parents find it very hard to be away from their cherubs. I cross my heart and promise we will take good care of them, so please encourage them to join us for the weekend.

They don't need to be worrying about being scared one bit, by all means bring comfort toys, I'll be bringing my teddy. We'll take one step at a time and after they have done the first night they will wonder what all the fuss is about... See you there
